The Navi-Mumbai Obstetric & Gynaecological Society

Academic activities for Obstetricians living in this new city started with formation of the Navi Mumbai Gynaecologists Association in the year January 1997.

The founder President was Dr. Pradeep Khopkar and Founder Secretary Dr. Uday Thanawala. Then in the year 2005-06 under the Presidentship of Dr. Surekha Mude we took affiliation to FOGSI (The Federation of Obstetrics Gynaecological Societies of India), and got reorganized as the NMOGS (The Navi-Mumbai Obstetric & Gynaecological Society). Dr. Mandakini Parihar, Dr. P. C. Jain, Dr. Thanawala & Dr. Shyam Kulkarni have all worked as Presidents and helped NMOGS to get quite a few feathers in its cap –

- In 2007 in co-ordination with the NMMC (The Navi Mumbai Municipal Corporation), we participated in the SURE START PROJECT, with Dr. Bharati Morey as the Chief Co-Ordinator – a Public Private Partnership with the aim of reducing Maternal Mortality.
- In the year 2008 our Society got the FOGSI award for Best Society conducting Population Stabilization Week Programme a Dr. Sadhana Desai trophy.
- We hosted the Yuva FogsI Congress of West Zone in the year 2006.
- Aquired its own premises for a office and a lecture hall in 2007.
- Late Dr. Mandakini Parihar was the Vice President of FOGSI in the year 2012.
- In her fond memory NMOGS has instituted- Dr. Mandakini Parihar Annual Infertility Meet at Navi Mumbai & the FOGSI NMOGS DR MANDAKINI PARIHAR Key Note address at the AICOG.

With the 28th AMOGS Annual Conference we have another opportunity to serve.

Dear Colleagues,

Greetings from The Navi Mumbai Obstetric and Gynaecological Society.

It is our proud privilege that the Navi Mumbai Obstetric and Gynaecological Society (NMOGS) is hosting the 28th Annual Conference of the Association of Maharashtra Obstetric and Gynaecological Societies. AMOGS Annual Conference is a great opportunity for the Obstetricians and Gynaecologists from every nook and corner of the state to share the most updated information in the different fields of this speciality. The Conference aims to disseminate recently acquired scientific knowledge and skills as well as provide platform to discuss controversies on complications in obstetrics and gynaecology.

Navi Mumbai, the City of the 21st century justifies being the host venue of this scientific bonanza with its separate identity but proximity to the metro city of Mumbai. Navi Mumbai is the melting pot of the various cultures of India as we have people from all states here. The cuisine of Navi Mumbai cuts across all states of India. Moreover, NMOGS is a young Society of almost 200 members who are academically active and brimming with energy and enthusiasm. Every member of NMOGS welcomes you to this mega event. Come, join us, enrich your knowledge and enjoy the hospitality of Navi Mumbai.

Members of NMOGS team
extend a hearty welcome to you

Guest of Honour

*Dr. Hema Divakar
President-FOGSI*

Dr. Hema Divakar has chosen the art of healing, promoting and preserving the health of women as a profession and passion. The I.S.O 9002 recognized Divakar's Specialty hospital of 2 decades, famous for its quality of care, is a monument of her success. Having worked in various capacities for more than 2 decades, in academic bodies like BSOG, KSOGA, FOGSI and ICOG she has faced challenges, gained experience and used the opportunities to learn further. Now she is the president of FOGSI. Her zeal to learn, prompted her to acquire additional qualification of FIMCH. PGDM in Medical Law and Ethics, Masters in Alternative therapy and Diploma in preventive & promotive health care which has given her an all round expertise.
